

Appendix Q List of Preparers

Q.1 Surface Transportation Board, Office of Environmental Analysis

Danielle Gosselin	Director
David Navecky	Acting Deputy Director
Joshua Wayland, PhD	Project Manager / Environmental Protection Specialist
Victoria Rutson	Attorney Advisor
Alan Tabachnick	Historic Preservation Specialist

Q.2 Contractors

VHB supported the Surface Transportation Board’s Office of Environmental Analysis in the performance of its environmental analyses and preparation of this Environmental Impact Statement.

Name, Project Function	Qualifications
VHB Project Management	
Alan Summerville, Project Manager	M.A. City Planning, B.A. Economics and Political Science; 30 years of experience participating in and managing the preparation of National Environmental Policy Act (NEPA) reviews, including 25 years on STB projects.
Carmen Bennett, PhD, ENV SP, Deputy Project Manager	PhD Environmental Science and Policy, M.S. Biology, B.A. English Literature; 8 years of experience in managing the preparation of NEPA reviews, including 6 years reviewing rail infrastructure projects.
Candice Andre, AICP, Deputy Project Manager	M.A. Urban & Regional Planning, B.S. Zoology; 19 years of experience participating in and managing the preparation of NEPA reviews, including multiple rail infrastructure projects.
Sydney Feldt, Data and Issue Management, Biological Resources	M.A. Environmental Science, B.S. Biology; 5 years of experience in ecological assessments, environmental planning, and preparing NEPA reviews.
VHB Project Staff	
Kathleen Arbogast, PE, Traffic and Roadway Systems	B.S. Civil Engineering; 8 years of experience in traffic engineering.

Name, Project Function	Qualifications
VHB Project Management	
Mark Arnoldy, PE, Air Quality	B.S. Civil Engineering; 7 years of experience in air quality assessments.
Dan Belin, AICP, Cumulative Impacts, Energy	M.S. Forestry, B.A. Environmental Studies/History; 25 years of experience in energy analysis and NEPA.
Josh Bendyk, PE, Freight Rail Safety	B.S. Civil Engineering; 12 years of experience in rail operations and signals.
Nicole Benjamin-Ma, Cultural Resources	B.A. Anthropology; 22 years of cultural resources management experience identifying, recording, and evaluating cultural resources.
Kimberly Blossom, Climate and Greenhouse Gas	B.S. Biology, B.A. French; 18 years coordinating with federal, state, and local regulatory agencies in preparation of permit documents and NEPA reviews.
Paul Carbone, PE, Passenger Rail and Freight Rail Safety	B.S. Civil Engineering; 12 years of railroad engineering, rail operations planning and NEPA experience.
David Coate, Independent Consultant, Noise and Vibration Advisor	M.S. Energy Technology, B.A. Mathematics, Physics and Chemistry; 34 years of experience in acoustics, rail noise, and vibration, support for NEPA reviews, including 25 years on STB projects.
Paige Cornell, Hazardous Materials Waste Sites	B.S. Environmental Science; 8 years of experience in environmental due diligence and hazardous waste assessments.
Valarie Discafani, AICP, PP, Passenger and Freight Rail Safety	M.A. City Planning, B.A. Geography; 29 years of experience in rail planning and preparation of NEPA reviews.
Lee Farmer, AICP, Mitigation	Master of City and Regional Planning, M.Phil Irish Studies, B.A. History; 18 years of experience in preparation of NEPA reviews.
Donny Goris-Kolb, AICP, Environmental Justice, Energy	Master of Urban Planning, Urban and Regional Planning; 15 years of experience in preparation of NEPA reviews.
Frank Gross, PhD, PE, Grade Crossing Safety and Delay	PhD Civil Engineering, M.S. Civil Engineering, B.S. Civil Engineering; 20 years of experience in transportation engineering and safety.
John Hansel, NEPA Strategist, Compliance Reviewer	J.D. and B.A. Economics; 40 years of experience participating in NEPA reviews and delivering NEPA training.
Todd Hill, AICP, PP, Biological Resources, Water Resources	B.S. Marine Biology; 33 years of experience in ecological evaluations, 23 years of experience preparing NEPA reviews.
Katherine Kudzma, Hazardous Materials Waste Sites	M.S. Sustainability and Environmental Management, B.S. Environmental Geosciences; 14 years of experience in due diligence, hazardous waste site assessments.
Ian Leidner, Passenger Rail	Master of Urban Planning, B.A. Urban Studies; 7 years of professional transportation/urban planning experience.
Christine Mavrick, RPA, Cultural Resources and Archaeology	M.A. and B.S. Anthropology, M.A. Sustainable Development; 12 years of experience identifying, recording, and evaluating cultural resources.

Name, Project Function	Qualifications
VHB Project Management	
Ellie McCurdy, Purpose and Need, Proposed Acquisition and Alternatives, Summary, Mitigation	M.A. Transportation Policy, Operations, and Logistics, B.A. Journalism and Political Science; 7 years of experience, including NEPA reviews and transportation planning.
Jennifer Morrissey, Document Development	M.S. Natural Resource Planning, B.A. History; 20 years of experience preparing NEPA reviews.
Erin Murphy, Cultural Resources	Masters of Heritage Preservation; 16 years of experience identifying, recording, and evaluating cultural resources.
Kara Opel, Document Development, Climate Change	M.A. Sustainable Cities, B.A. Government and Politics; 7 years working with federal agencies on environmental initiatives, 3 years of experience preparing NEPA reviews.
Andrew Pappas, RPA, Cultural Resources and Archaeology	M.A. Classical Archaeology, B.A. Anthropology; 18 years of experience identifying, recording, evaluating, and assessing cultural and archaeological resources.
Stephanie Pelletier, GISP, Geographic Information Systems	B.S. Environmental Sciences and Geography; 7 years of professional experience in Geographic Information Systems.
Heidi Richards, PE, Air Quality	B.S. Civil Engineering; 25 years of experience working on air quality assessments for state and federal agencies, including for NEPA reviews.
Jason Ross, PE, Noise and Vibration	M.E. Acoustics, B.S. Mechanical Engineering; 24 years of experience conducting transit and rail noise and vibration studies, including for NEPA reviews.
Lara Seltzer, Freight Rail Safety	M.A. City & Regional Planning, B.A. American Studies and Sociology; 2 years of professional transportation planning and railroad operations experience.
Rebecca Shedd, Noise and Vibration	B.A. Engineering, B.S. Environmental Engineering; 3 years of experience working on air quality and noise impact assessments.
Darrell Smith, Freight Rail Safety	B.A. Urban Studies and Planning; 30 years of experience conducting railroad and transit operations analysis and planning.
Ian Smith, PE, Water	M.B.A., B.S. Civil Engineering; 28 years of experience in water resource mapping, design and permitting.
Eben Sweetser, Freight Rail Safety	B.S. Transportation; 6 years of experience in railroad operations, safety, emergency response, and emergency management.
Andrew Topp, PE, PTOE, Traffic and Roadway Systems	B.S. Civil Engineering, Master of Civil Engineering; 23 years of experience conducting traffic engineering/capacity analyses.
Lauren Triebert, PE, Quality Control	B.S. Civil Engineering; 12 years of experience preparing NEPA reviews.
Casey Venzon, LEED AP ^{BD+C} , Environmental Justice	B.A. Economics & Business Administration; 14 years of experience preparing NEPA reviews for transportation projects and environmental and sustainability planning.

Name, Project Function	Qualifications
VHB Project Management	
Baohong Wan, PhD, PE, Traffic and Roadway Systems	PhD in Civil/Transportation Engineering; 22 years of experience in traffic engineering/capacity analysis.
Meghan Wrenn, Energy, Cumulative Impacts	M.A. Sustainability, B.S. Biology; 5 years of experience in sustainability and climate action planning.
