Appendix R

List of Agencies, Organizations, Tribes, and Persons to Whom Copies of the EIS Were Sent

Board regulations identify the types of agencies and officials to receive environmental documentation (49 Code of Federal Regulations [C.F.R.] Part 1105.7) for comment. In addition, Council on Environmental Quality (CEQ) regulations identify appropriate distribution (40 C.F.R. Parts 1500–1508). This appendix lists the agencies, officials, and other interested persons receiving the EIS for the Proposed Acquisition by CP of KCS. ~~OEA has provided specific information about how to comment on this Draft EIS. The Board has distributed and made the Draft EIS available on August 5, 2022.~~ The U.S. Environmental Protection Agency (EPA) will publish a Notice of Availability of the ~~Draft~~ Final EIS in the *Federal Register* on February 3~~August 12~~, 202~~2~~3. OEA has also made the ~~Draft~~ EIS available for viewing and downloading via the Board's website (www.stb.gov) and the Board-sponsored project website (www.CP-KCSMergerEIS.com).

OEA maintains an environmental distribution list composed of individuals with a specific role in the environmental process and individuals who have expressed an interest in the Proposed Acquisition. OEA has notified, by email or postcard, all parties on the environmental distribution list of the availability of the ~~Draft~~ EIS. In addition, OEA has notified the public through online advertising.

This appendix lists the federal, state, and local agencies; tribes; federal, state, and local elected officials; and other organizations that will receive or be notified of the availability of ~~this Draft~~the EIS. This appendix does not list the private individuals on the distribution list. Private individuals include people who attended public meetings, who requested to be put on the OEA distribution list through the project website, or who submitted scoping comments.

If you wish to receive a copy of the ~~Draft~~ EIS or have questions about where to find the ~~Draft~~ EIS, please call the toll-free phone number for the project at 1-888-319-2337 and leave your name, email address, and phone number.
